Tired of lugging your toddler's car seat through the airport? With the gogo **Kidz Travelmate** by gogo Babyz [all cq], you can wheel your car seat and child, instead of carrying them. Weighing only 5 pounds, the Travelmate attaches to most car-seat brands and carries children up to 50 pounds. Its telescoping handle has four positions and lays flat in the trunk or back seat of the car. gogobabyz.com, \$89
